PROFILE

Medical Facilities Corporation ("MFC"), in partnership with physicians, owns a diverse portfolio of highly rated, high-quality surgical facilities in the United States. MFC's ownership includes controlling interest in four specialty surgical hospitals located in Arkansas, Oklahoma, and South Dakota, and an ambulatory surgery center ("ASC") located in California. In addition, through a partnership with NueHealth LLC, Medical Facilities owns a controlling interest in five ambulatory surgery centers located in Michigan, Missouri, Nebraska, Ohio, and Pennsylvania. MFC also owns non-controlling interests in a specialty surgical hospital in Indiana and an ASC in Missouri. The specialty surgical hospitals perform scheduled surgical, imaging, diagnostic and other procedures, including primary and urgent care, and derive their revenue from the fees charged for the use of their facilities. The ASCs specialize in outpatient surgical procedures, with patient stays of less than 24 hours.

INVESTMENT HIGHLIGHTS

- Growing demand for healthcare due to overall population growth and an aging population
- Diverse portfolio of highly rated, high-quality facilities
- Experienced, entrepreneurial management team
- Competitive dividend
